AREA OF EXPERTISE

Vance is the Managing Director of Higginbotham's commercial Risk Management Department. This group includes 35 Risk Management professionals specializing in one of the following four key disciplines:

- 1) Safety and Loss Control
- 2) Claims Advocacy
- 3) Contract Review
- 4) Risk Management technology

Vance and the team of Risk Management professionals work to support commercial customers' safety and risk management needs by deploying loss control initiatives to prevent losses, promote regulatory compliance and reduce claims costs. Vance has concentrated experience servicing businesses in oil & gas, construction, real estate, transportation, healthcare and many other industry segments.

PROFESSIONAL EXPERIENCE

Vance has broad loss control experience spanning 25 years working in Texas corporate, insurance carrier and broker environments. He has held positions as the regional plan safety manager for Armour -Swift Eckrich, Sr. Loss Prevention Representative with Liberty Mutual, where he also brokered commercial property/casualty insurance for predominantly middle market accounts. Prior to joining Higginbotham in 2008, he was Vice President of Loss Control services at Lockton Companies of Dallas.

AFFILIATIONS

Vance is a Field Safety Representative (FSR) in Texas, a Local Recording Agent (LRA) and a Professional Member of the American Society of Safety Engineers (ASSE). Vance served as the ASSE SW Chapter's Foundation Chair in 2013 & 2014.

EDUCATION

A 1993 graduate of the University of Texas at Tyler where he studied industrial safety, Vance became a Certified Safety Professional (CSP) in 2006 and an Associate in Risk Management (ARM) in 2007.
